- European approval of materials
- Approval of permanent joining procedures
- Approval of permanent joining personnel 

- L.N. 331 of 2002 – Transportable Pressure Equipment Regulations 2002 

- **Responsible for the following procedures/modules**

- Internal manufacturing checks with monitoring of the final assessment
- EC Type-examination
- EC design-examination
- Conformity to type
- Production quality assurance
- Product quality assurance
- Product verification
- EC unit verification
- Full quality assurance
- Full quality assurance with design examination and special surveillance of the final test
- Conformity reassessment procedure
- Periodic inspection of products
- Periodic inspection through quality assurance 

- L.N. 369 of 2002 – Machinery Regulations 2002 

- **Responsible for the following procedures/modules**

- Receipt of technical file
- Certification of adequacy for the technical file
- EC Type-examination
